[NZICC Overview](#)

The NZICC will be opening our doors to welcome the world in February 2026. The team are ready to talk business and see how we can partner with you on any event of any size.

A business designed with the user in mind.

Culinary Design

Catering will be delivered by our in-house team with a focus on locally sourced, fresh and high quality produce. The NZICC will have access to celebrity chefs to help design your menus to exceed expectations.

Tailored Technology

Free wifi will be provided throughout the NZICC for all visitors.

To ensure every event is seamlessly delivered the NZICC will have pre-installed technology throughout most of the key spaces, supported by in-house preferred suppliers who will work with you on anything additional and to make sure everything is perfect.
